## November 2018 Newsletter

---

Greetings LASBHA Friends,

I am **Adrienne Huval**, President-Elect of the Louisiana School-Based Health Alliance and I am excited to host the November edition of our newsletter.

I have served on the Board of Directors for 5 years. I am a Licensed Professional Counselor working in the role of Coordinator of the St. Martin Parish SBHCs and School Nurse Program in Breaux Bridge, LA. I also have a Private Practice serving children, adolescents, and adults. Outside of work, I enjoy reading, traveling, and trips to the spa. My work in school-based health is fueled by my belief that affordable access to healthcare is a right of every citizen.

Providing Health Equity for All

## LASBHA 23<sup>rd</sup> Annual Conference

Lake Charles, LA April 8<sup>th</sup>-9<sup>th</sup> 2019

### Call For Abstracts Opened

The call for abstracts for the 23rd Annual Conference is open. We are looking for dynamic and engaging speakers to present on topics that will benefit those involved in school-based health care. We also welcome abstracts for poster presentations. Please use the link below to submit your abstract. If you have any questions, please email the conference committee at [conference19@lasbha.org](mailto:conference19@lasbha.org).

**LASBHA JOINS THE VACCINATE BEFORE YOU  
GRADUATE COALITION**

## What is “Vaccinate Before You Graduate – Louisiana”?

Vaccinate Before You Graduate (VBYG) is a public information campaign and program that raises awareness about the importance of getting vaccinated as a high school student, provides information about which vaccinations are most important to this age group, and lets students and their parents know where they can receive vaccinations, often at no out-of-pocket cost if done before graduating from high school.
