

September 2018 Newsletter

Greetings LASBHA Friends,

I am **Yolanda Green**, Secretary of the Louisiana School-Based Health Alliance and I am excited to host the September edition of our newsletter. I have served on the Board of Directors for 4 years. I work daily as a Registered Nurse at Linwood School-Based Health Center, part of David Raines Community Health Centers in Shreveport, Louisiana. Outside of work, I enjoy a good craft project as well as a good book. My work in school-based health is fueled by my belief that every child deserves **easy** access to quality healthcare.
